Our Veterans, Our American Guardian Angels

Although the last major wars have been fought through out the world by these same veterans – we know them as guardian angels of our National Security, Civil Rights and Democracy. As the greatest generation moves forward, so we give them the utmost respect. There is no single forum neither through the media or the press that can better illicit a flutter of the heart, a tear and raging patriotism. It's a testament to San Antonio's Community that they participate and honor our veterans as they walk, motor and waive from Military vehicles and convertibles. Some uniforms date back to WWII. Disabled, healthy, POW's and dismembered they smile and waive. They go graciously by saluting every flag that triggers their veteran's soul. From all walks of life, from every service and every ethnicity they proudly walk.

It is with this respect that the **USMVPA** extends to you and your organization an invitation to participate in the 10th annual San Antonio Veterans Day Parade. For those of you that have made this an annual event, your application is enclosed. All new participants can go to our website and download an application. All applications must be returned by October 1, 2009 with the \$20.00 dollar processing fee and any extra fee for added vehicles.

Freedom is not free. It is earned over and over again by our veterans. May God smile on our Veterans here and those in harms way.
